

**Curso: 7<sup>a</sup> Grado**

**Docente: Paola Capresi**

**Objetivo: Que los alumnos utilicen en la producción escrita el vocabulario aprendido para describir a sus compañeros.**

**Actividad: Los chicos que describen a sus compañeros usando el vocabulario aprendido. Estos son algunos de sus trabajos:**

**Mara by Melissa Schiuma**

I met Mara when she arrived at school ,in 5<sup>o</sup>form. When I saw her, I went to talk with her.

Mara and I see each other everyday because we go to school together.

I'm different to Mara because she is short and I'm tall,and we have different personalities.

I like Mara because she is funny and happy,and she is a good sport player. She knows how to keep a secret.

**Mara by Laura Ninnoti**

This person is similar to me . She is at my school and sometimes she comes to my house.

Mara is very different to me physically, but our personalities are similar .

She is very nice ,friendly , confident and honest

**Eliana by Luli Mastromonaco**

When I was three years old, I met Eliana at school. I see her every day at school. We physically different but we are honest, friendly, active shy and talkative.

I like Eli because she is very funny and honest. She is one of my best friends. The best thing of Eli is that she is friendly.

**Antonella by Thalia**

Antonella is my friend; I met her at school, She is every day at school, she is very funny,

I like her personality. Physically we aren't similar because she is tall ,and she has got blue eyes. She is nice and she is a good friend.

### Bruno by Mateo

I met Bruno at school, so I see him almost every week. We're good friends, so we are quite similar. We're cheerful and confident. But in some things we're different. I like football and Bruno likes anime. I like Bruno because he's very friendly and talkative.

### Mateo by Bruno

Mateo is a very good friend. We met when we were seven years old at school. I see him every day. We are quite similar because we are confident and cheerful but we are also different because I like anime but Mateo likes football and sports. I like Mateo because he is cheerful and talkative. Mateo is very funny. These are the best things about Mateo.

### Florentina by Carolina

Florentina's a really good person. We met 7 years old at primary school. I sometimes visit her because we live quite near, Flor goes to the same school as me. Florentina's the same age as me and we are talkative, friendly and honest, but she is more active than me. I like this person because she is confident and cheerful. The best things are her friendship, honesty and cheerfulness.

### Damian by Agustin Seip

I met Damian in 5th Form at school.

I see him at school every day.

I am not similar to Damian. I like tennis and he likes football, I am active and he is quite quiet. However, we are very good friends and we aren't selfish

### Nicolas by Tiago

Nicolas's a good friend. We met 10 years ago at kindergarten. We go to the same school, and at weekends I usually see him. Nicolas's the same age as me and we've got the same interests. He's got blue eyes and I've got brown eyes, I'm tall and he's short. The best thing about Nicolas is that he's really funny and he is always cheerful. He isn't shy and he's friendly.

### Carolina by Florentina

Carolina's a really good friend. We met 7 year ago at primary school. We are best friends. I often see her at school and in the street, because she lives near my house.

We are talkative, cheerful and friendly. We are also different. She is lazy and I'm active, sometime she is moody and I'm confident.

I like this person because she is always with me when I need her and because she is an excellent person, and her best things are her honesty and friendship.

### Maxi by Gaston

*I have a friend called Maxi. He's 11 years old. We met six years ago at school. Now, we're very good friends. We always meet us at school and we usually go out. We aren't very similar physically, but we like the same things. I think he's a funny and an interesting person. He's also clever.*

#### **Lucila by Eliana**

I met Lucila when I was three years old, in kinder garden. Lucila and I see each other every day. We are very different because I am quite extrovert and temperamental but Lucila is the opposite. But we are funny and active. I like Lucila because she is very cheerful and honest, she is one of my best friends. The best thing about her is that she is very friendly and confident.

#### **Facundo by Franco**

Facundo is really a good friend. We met at the age of 6. I always see him at school and sometimes he comes to my house. We are similar. He likes tennis just like me. He is friendly but he is really talkative and I am not talkative. I like him because he is really cheerful and he is never bossy. The best thing about him is that he is really similar to me. I like that.

#### **Melissa by Mara**

Melissa is my best friend. I met Melissa on my first day in this school, Instituto Educativo Modelo. I was in 5th Form and I talked with her in the moment I saw her.

I see Melissa every day because we go to the same school. We sit down and play the same things.

Melissa isn't similar to me. We are different, she is tall and I'm short, she has a big body and I have a small body. We have different tastes.

I like Melissa because she is a good friend and she knows how to keep a secret. She is funny.
